

COVENTRY ROAD PRACTICE NEWSLETTER

- Jan 2026

Practice Website: www.coventryroadpractice.co.uk

CONGRATULATIONS!!!

Congratulations to Dr Timothy Badcock whose wife gave birth to their daughter Evie in December. Mom & baby are doing well and enjoying their time together.

Sick notes (Med 3)

Can you please request your sick note the day before it is due as the Practice cannot provide notes for future dates.

Prescriptions

Please remember prescriptions have a **48 hour** turnaround. If a prescription is ordered too early it may be rejected. Prescriptions can be ordered via the NHS app, online or presenting to the surgery. We do not take prescription requests over the phone, unless you are over the age of 80 or housebound.

Immunisations

Please ensure your child is up to date with their childhood vaccinations. Routine vaccinations are given at around 1 year and 3 years 4 months. Please speak to either of our Nurses Rebecca or Nikki if you require more advice.

If you are new to the Country please drop in a record of your child's vaccinations to ensure their records are up to date with vaccinations recommended in the UK.

Patients aged 70 are eligible for a one off shingles vaccination—please contact the surgery if you feel you are eligible.

Pneumonia vaccine is for patients over 65 plus some chronic health problems—please contact the surgery if you feel you are eligible.

RSV vaccine is available for pregnant ladies who are 28-32 weeks pregnant & also those turning 75yrs with a catch up of 75-79 year olds.

Safe Surgery

Coventry Road Practice is now a 'safe surgery'. Safe Surgeries recognise the barriers to healthcare access that exist, particularly for migrants in vulnerable circumstances, and believe that small changes in practice can make a difference. The Practice is willing to lead by example and work to ensure that nobody in their community is excluded.

Other Health Providers

The Practice is pleased to inform you that we have an Adult Health & Wellbeing Coach provided by the PCN (Primary Care Network). This service is for support with mental health associated problems and not existing issues. Speak to a GP if you feel you would benefit from this service.

Facebook

As you may be aware the Practice uses Facebook to promote services and it includes useful information regarding healthcare.

If you have any thoughts the Practice would be grateful for your input. You can follow us on:

<https://www.facebook.com/coventryrdpractice/>

Tea Party

The Practice holds a 'tea party' fortnightly for our senior patients. This is a lovely opportunity to meet new people, connect with others or get out of the house in a safe space over a cuppa and some cake. This is a friendly, relaxed group which is open to everyone. Ask at Reception for more information.

Flu Vaccines

Just a reminder—if you have not had your flu vaccine this season, please call the surgery to arrange an appointment.
