

## Data Sharing Information

### Important information about the sharing of your medical information. Patient Opt Out / Dissent request form.

There are currently 3 DIFFERENT initiatives in data sharing, see attached sheet for further information.

You will automatically be included in all 3 schemes unless you choose to opt out.

You can opt out of one or more of the data sharing schemes by ticking the corresponding box, signing and dating the form below:

**YOUR CARE CONNECTED (YCC)** I wish to opt out of sharing my data:

**SUMMARY CARE RECORD (SCR)** I wish to opt out of sharing my data:

**CARE.DATA** I wish to opt out of sharing my data:

PRINT NAME: ..... SIGNATURE: .....

DATE OF BIRTH: ..... DATE FORM COMPLETED: .....

For Practice Use: YCC – summary tab, select sharing, EMIS sharing consent.

SCC – as above.

Care.data – 9NU0 (identifies patient outside of GP Practice. 9NU4 (information held by other places patient receives care.
